

Dear Friend,

This past year has been very difficult for families living on the edge of poverty. To make matters worse, Hurricane Irma has brought these families a whole new set of challenges which most cannot even begin to imagine getting past. With the holidays quickly approaching, these families and especially their children need our help more than ever.

Thanks to the generosity of donors like you, the J.P. Hall Children's Charities has been able to shine some light into their darkness. Your support has allowed the Charities to provide critical financial assistance to these families since 1996. Over the past 21 years, the Scholarship Program has awarded more than \$436,000 to 272 deserving Clay County students. Last year alone, more than 1,700 underprivileged children received new toys and clothing as a result of your generosity at the Annual Christmas Party.

Why give to the J.P. Hall Children's Charities? First, your money stays in Clay County. Second, with very little administrative overhead, your donation goes directly to serving the disadvantaged children of Clay County.

J.P. Hall Children's Charities was named by my father, J.P. Hall, Jr. in honor of my grandfather, John Hall, Sr. in recognition of the generous support he gave to Clay County families in need. Now my two sons, Matthew and J.P., are actively involved in carrying on the traditions begun by my father and grandfather so many years ago. I couldn't be more proud of the legacy and work that continues in my grandfather's spirit, and the role Matthew and J.P. have taken to ensure this important work will go on to help generations to come.

Because of the continued generosity of a caring community and individuals like yourself, the underserved children of Clay County will have opportunities for education, support and a joyful Christmas – opportunities that no child should ever be denied. *Thank you for your donation and giving the gift of hope to these children in great need.*

Sincerely,

Virginia Hall
