9. Students must submit a completed application. Partially filled out applications will not be considered.

Selection

Selection will be based primarily on the student's financial need. Academic standing, extracurricular activities, community service, and other financial assistance the applicant already may have received will be considered.

All decisions by the Scholarship committee are final.

Awards

Awards, in varying amounts, to be used as partial tuition at St. Johns River State College and the University of North Florida.

Terms

Scholarship funds will be sent directly to the college chosen by the student and will be deducted from the registration and tuition costs upon enrollment. If the student is receiving a full scholarship to St. Johns River State College, the scholarship will pay up to twelve credit hours per semester for two years.

The scholarships may not be transformed to another college. If the student elects to attend a different college, all scholarship funds are forfeited.
